Electronic Aqua-stop & OverFlow Protection

Thanks to the Electronic Aqua-stop & OverFlow Protection features, Tesla dishwashers can automatically stop working and pump the water out if a leakage is registered, in order to prevent flooding. This means you can turn the machine on and leave the house without worrying!

Delay Start

Did you know you can schedule the dishwasher start time up to 24 hours in advance? Each time you press the button, the start is delayed for an hour. This way, you can set the washing to begin at any part of the day – even when you’re not at home – and plan your activities more freely.

Extra drawer

We’ve included an extra drawer for cutlery or objects that are typically difficult to store, namely long cutlery, so you can wash more in a single load.

Child lock

The child lock feature is especially important for households with small children, as it prevents them from accidentally activating the device during playtime. Make sure your home is a safe space for the little ones to explore while growing up, without worrying about them turning an appliance on.

Extra drying

For all those dishes that need extra drying, we’ve added an additional useful option that is compatible with Intensive, Universal, ECO, Glass and 90 minutes programs. It allows you to customize the washing cycle and adjust it to different needs, as well as avoid the dishes coming out covered in water droplets.

Easy-sliding racks

New Tesla dishwasher models have an improved sliding system that makes the racks slide smoothly and evenly – for easy, fast and convenient loading or unloading. Also, flexible and adaptable baskets allow you to put all kinds of dishes inside easily, and make sure they’re held securely.

FEATURES	
Size	60 cm
Type	Freestanding
Color of machine	White
Capacity (place settings)	14
Energy efficiency class (EN60436)	E
Energy consumption per cycle	0,951 kWh
Energy efficiency index (EEI)	55,9
Water consumption per cycle (L)	11
Cleaning performance index	1,125
Drying performance index	1,065
Electronic Aqua-stop	Yes
OverFlowProtection (Water level sensor)	Yes
Child Lock	Yes
Dual zone wash	No
Light indicator on floor	No
Delay Start	1-24 h
Half Load	Yes
Extra Drying	Yes
Strong wash	No
Noise Level	47 dB
PROGRAMS	
Intensive	Yes
Universal	Yes
Eco	Yes
Glass	Yes
90 min	Yes
Rapid	Yes
Pre-Wash	Yes
Auto	No

CONTROLS	
Control Type	Button Control
Display	LED
Time remaining indicator	Yes
Selected programme indicator	White LED
Salt and rinse aid indicator	Red LED
TECHNICAL & INTERNAL SPECIFICATION	
Removable top	Yes
Type of heating element	Invisible
Maximum temperature for water	65°C
Tub and Door Liner	Stainless steel, plastic
Filter material	Stainless steel, plastic
Number of baskets	3
Color of basket	Grey
Upper basket system	Yes, Easy lifting system
Number of spray arms	Upper & Lower & Top
Detergent & Rinse Aid Dispenser	Yes
Water Softener	Yes
Drying system	Residual heating dry
Type of inlet hose	Standard
Input water tube length	1500 mm
Output water tube length	1600 mm
Power	1800 W
Voltage	220V-240V~
Frequency	50 Hz
DIMENSION	
Product dimension (LxWxH)	598x600x845 mm
Product weight	43,5 kg
Package dimension (LxWxH)	645x645x890 mm
Gross weight	48,5 kg
