- Mac OSX (Sierra ili noviji)
- USB priključak

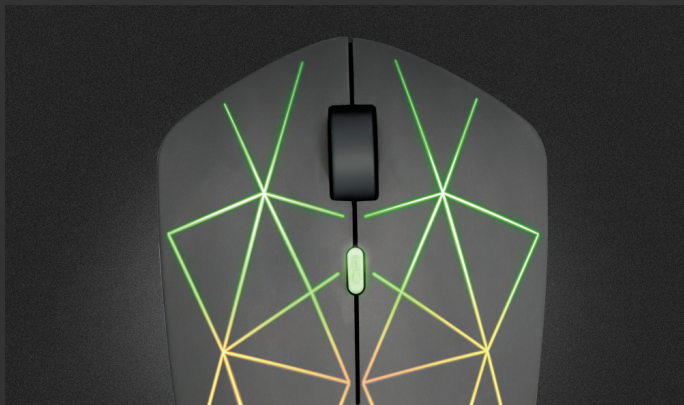

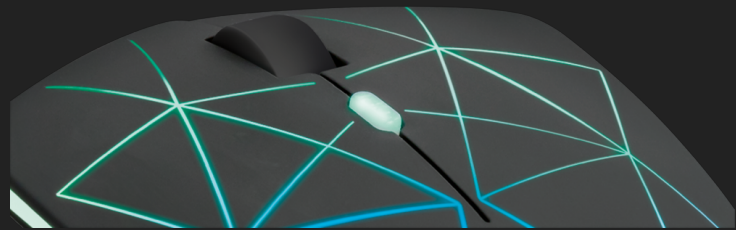

## Multicolour loop

With the GXT 117 Strike Wireless Gaming Mouse, you can enjoy the reliability and accuracy which you would find in a corded mouse and the freedom and comfort of a wireless gaming mouse. Strike down your enemies: you have the key to victory in the palm of your hands! The illuminated top cover with continuously changing colours will strike your enemy with fear. Or switch the illumination off to move stealthily through your games and save on battery. You now have a battery time of up to 30 hours! Use the included charging cable to charge the battery, even while gaming.

## DPI level

With the 3-level adjustable DPI optical sensor, the Strike works at your speed. The mouse features a DPI button with which you can switch between 600 DPI, 1000 DPI and 1400 DPI.

## Perfectly suited

It doesn't matter whether you're left or right handed, this mouse is made for comfortable gaming for everybody because of its ambidextrous form factor. This combined with the rubberized top cover for a firm grip makes sure you can keep on gaming with high-precision during intense gaming sessions.

## Always time to play

With a wireless connection of 8 meters, the Strike has enough range for any gamer. To set up, simply put the wireless receiver in your PC or laptop and you can keep on building your in-game skills for hours. Finished playing? Store the receiver in the mouse itself or leave it in your PC or laptop.
