## Flip Your Grip

Designed in a vertical orientation, the Bayo Ergonomic Rechargeable Wireless Mouse brings your underarm and wrist into a natural position, which relaxes the muscles in your hand, wrist and arm. Parallel to the desk surface, you hold the mouse like a handshake, with a comfortable and slightly curved handle. The Bayo enables you to work effortlessly and tension-free for hours on end.

## Wireless Working

Whilst relieving strain, you'll also gain freedom of movement with the Bayo. A wireless and storable USB connector gives you a 10m wireless range to further improve your working comfort. Fitted with a rechargeable battery, this mouse is also environment friendly. The low battery led light warns you when it's time to recharge, and a USB-C cable is included so you can continue working when you need to recharge the mouse.

2400

## Easy Button Control

You can simply operate the buttons like you would on a standard mouse, just with a 45-degree rotation. Two thumb buttons allow you to easily go back and forth in your browser, and you can choose your preferred cursor speed with the DPI button (800/1200/1600/2000/2400 DPI). Furthermore, the mouse has an integrated power-off switch to save battery life when you're done working.

## Comfort Looks Good

With its smoothly rounded design and a stylish led light with multi-colour cycle on the thumb rest, the Bayo proves that ergonomics can also look really good. Choose your preferred light setting to give your mouse a personal touch.
