SanDisk Ultra Fit™ USB 3.2 Gen 1 Flash Drive

Plug, stay, and play fast

Highlights

- Compact plug-and-stay design to instantly add storage to your laptop, game console, in-car audio, and more
- [32-64GB] Save time with transfer speeds up to 130MB/s¹
[128-512GB] Save time with ultra-fast transfer speeds up to 400MB/s¹
- [32-512GB] Transfer a full-length movie to the drive in less than 30 seconds²
- Get space for your high-resolution photos, videos, and music, plus documents and more at a great value with up to 512GB* of storage
- Password-protect your files using a downloadable software³
- Recover accidentally deleted files with RescuePRO® Deluxe software⁴

Thanks to its compact design, you can plug in the SanDisk® Ultra Fit™ USB 3.2 Gen 1 Flash Drive and leave it in, making it the simple way to add extra, high-speed storage to your device. Spend less time waiting and more time doing with ultra-fast transfer speeds up to 400MB/s¹ [128-512GB]. Share your drive with ease knowing you can password-protect your files with a downloadable software³. This fast flash drive adds up to 512GB* of storage for your content. Backed by a 5-year limited warranty⁵, so you can store with peace of mind.

Western Digital Technologies, Inc.
951 SanDisk Drive | Milpitas | CA 95035 | USA

Western Digital Technologies, Inc. is the seller of record and licensee in the Americas of SanDisk® products.

* 1GB=1,000,000,000 bytes. Actual user storage less.
1. Based on read speed. 1 MB/s = 1 million bytes per second. Based on internal testing; performance may vary depending upon host device, usage conditions, drive capacity, and other factors. USB 3.0 port required.
2. Based on 1.2GB MPEG-4 video transfer with USB 3.2 Gen 1 or USB 3.0 host device.
3. Password protection uses 128-bit AES encryption and is supported by Windows® 10+ and macOS v10.9+ (Software download required, see www.SanDisk.com>PasswordProtect).
4. Registration and download required; terms and conditions apply.
5. See www.sandisk.com/wug for additional information.
