Vivid visuals

Our TVs offer an excellent viewing experience with vivid colors, great contrast and immersive details that will keep you on the edge of your seat. No blurry image and no low-res content - whatever angle you're watching from.

Easy settings

Connections, channels, menus, advanced adjustments... We know technology can be confusing - but Tesla TVs make settings simple and easy to understand.

A great viewing angle

Tesla TVs have a great viewing angle, plus they come in a variety of different dimensions. Carefully designed and crafted, they will fit in any interior.

Multiple viewing modes

This TV offers several viewing modes - Dynamic, Standard, Natural, Movie, Stadium and Personal. Try them out while watching different content, and you're bound to notice the difference!

Hotel mode

Need to keep your TV under your control? Choose the Hotel mode, allowing you to lock specific features, such as volume level or different channels. Comes quite in handy for families with small children.

Multimedia experience

Simply plug in your flash drive and play a movie, or flip through a favorite digital photo album. Whatever your file format is, this TV can handle it.
