Canon Printer All in One PIXMA G3420

Overview:

Tremendous volume, low-cost printing

Keep on printing while keeping costs down thanks to huge yields of up to 12,000 pages (26% more in Economy mode³) from 2 black ink bottles, or 7,700 pages with a single set of color bottles.¹

High quality at speed

Count on quality at speed (9.1 ipm in black / 5 ipm in colour²), with pigment black ink ensuring pin-sharp text and dye color inks delivering vivid color photos. Experiment with diverse media and even print banners up to 1.2 meters in length.

Easy Maintenance

Minimize downtime and meet every deadline with ease, with a user-replaceable maintenance cartridge that ensures dependable, day after day performance.

Thoughtful Design

Refill ink tanks without fuss or effort using handy non-squeeze bottles with unique key type nozzles that ensure each ink bottle can only refill its equivalent tank.

Smart Connectivity

Print, scan, copy and connect to the cloud via the Canon PRINT app and PIXMA Cloud Link, and print directly from smart devices via AirPrint (iOS) and Mopria (Android).
