MODEL

CNS-TWS6B	black	5291485010065
CNS-TWS6BE	beige	5291485010072

It's easy to get lost in the market of true wireless earphones, but don't worry – there's a good option just for you. TWS-6 is the right choice for anyone looking for a great audio experience while on the go. They are lightweight with a comfy, secure fit. Not just music among the strengths: thanks to the high-quality microphones, you can rely on them even for the most important calls and meetings. The battery life is impressive, with up to 4.5 hours of playback on a single charge. With the charging case, you can get up to 21 hours. If that isn't enough, charge it in just two hours with any Type-C cable. The controls are intuitive and easy to use. The Bluetooth 5.3 connectivity is reliable and energy-effective, allowing you to keep a stable connection to your phone or other devices. Also, a low latency of 50ms makes these earphones suitable for gaming. It would be an excellent choice for those who want a great audio experience!
