CHERRY DW 3000

Professional wireless desktop for beginners

Models may vary from the image shown

The wireless desktop set CHERRY DW 3000 is rock-solid CHERRY technology with an excellent price-performance ratio. The flat, clearly designed keyboard with short-stroke soft keys enables precise, fast writing with minimal noise generation. In addition, the key legends are laser engraved, making them durable, wear resistant and easy to read. The optical 3-button mouse matches the design and technology of the keyboard, and glides impressively over most surfaces.
