North

Transform your gaming space

North reimagines the gaming PC, introducing natural materials and bespoke details to make gaming a stylish addition to the living space. Fusing design and airflow engineering, the case features fine-patterned mesh ventilation and an open front with real walnut or oak panels. The design is complemented by sleek brass or steel details and an integrated tab for easy access to the top of the case. Inside, North offers an intuitive interior layout and generous compatibility.

Key features

- Enhance the look of your gaming station with sleek wood and alloy details
- Designed for ATX / mATX / ITX motherboards
- Enjoy natural ventilation through an open front and stylishly integrated mesh.
- Choose a GPU up to 355 mm, or up to 300 mm with a 360 mm front radiator
- Get a head start on your build with the two included 140 mm Aspect PWM fans
- Remove the side panels, unclip the front and pop off the top panel using an integrated tab
- Make the most of your building experience with an intuitive interior layout
- Enjoy a sophisticated looking case which integrates effortlessly into your living space
