# Advanced Aquatak 160 High Pressure Washer

## THE EFFICIENT CLEANING EQUIPMENT

With the Advanced Aquatak 160 Bosch is expanding the advanced class with two especially powerful and robust tools for thoroughly cleaning stubborn dirt. For the first time ever, the two models feature a four-cylinder 'Quad' pump that has been optimized for efficiency, offering a higher performance while also featuring a more compact design than the conventional three-cylinder pump.

## LIFESTYLE CAR WASHER

### High performance

Compact performance through QUAD pump technology provides higher performance.

### Durability and reliability

High-efficiency pump is less stressed so gives longer service even if the user opt for frequent use.

### Practical and portable

Advanced Aquatak 150 high pressure washer is sturdy with quiet running extra-large rubber coated wheels for easy mobility and also a telescopic handle which is integrated to pull the washer for comfort.

### Saves time

Manual cleaning is much time consuming also it is quite hard to achieve a good result in perfect cleaning. More consumption of water manual cleaning. Advanced Aquatak 160 is manufactured in order to save time and energy.

## WHAT IS IN THE KIT?

**Bosch Metal Gun:** The Advanced Aquatak comes with a more powerful Metal Gun exclusively designed for perfect cleaning result.

### High Pressure Foam Nozzle with regulator:

A high pressure foam nozzle with regulator can be connected to the lance when you need to add detergent for cleaning process.

**Roto lance:** An additional lance with roto nozzle along with it is a part of this High pressure washer

**Steel Armed hose:** Advanced steel armed hose is a part of this Advanced Aquatak 160 High pressure washer, this provides more durability to the hose.

**Standard Lance:** Extension for Bosch gun helps the user in cleaning without moving the machine every then and now.

**Metal Water Filter:** The metal water filter helps in easy maintenance of the washer and also pump protection is carried out.

**Variable fan jet Lance:** A variable fan jet lance accompanies with the Advanced Aquatak 160 High pressure washer.

# GET CLEANING WITH ADVANCED AQUATAK 160

## Cleaning of heavy vehicle:

Heavy vehicles like mini truck, lorry were used very roughly in most of the cases. Chances of getting dirt are very much higher for such vehicles. If we opt for manual cleaning, it consumes hours and wastage of water will also be very high. Advanced Aquatak 160 is very much helpful for all those who is looking for a cleaning equipment which can be used on a regular basis.

**Cleaning a garage :** A small scale industry like garages were hard to clean manually as it takes more time and water for this task. Advanced Aquatak 160 is a perfect buy option for large scale frequent use and also for domestic cleaning purposes.
