## Naturally better working

Feel better while you work with the Keyra. Featuring a full-size split layout and convex curve, this ErgoCert 3-star rated ergonomic keyboard promotes natural hand and finger placement, along with more wrist support than regular keyboards. That means less strain, more productivity!

## Work smarter, not harder

Find the way that works for you with this keyboard's multi-device wireless connection. Switch seamlessly between up to three devices at once via two different Bluetooth connections or the storable 2.4G USB receiver, compatible with both USB-C and USB-A devices. Ultimate flexibility, here we come.

## Quietly comfortable

Whether you're seated or standing, enjoy all-day comfort with the Keyra's pillowed palm rest and adjustable fold-out feet. Those around you will love this keyboard too – silent keys make it the ideal companion for quiet workspace, ensuring no distractions for you or those around you.

## Don't stop the flow

We know how good working can feel when you're in the zone, which is why this keyboard has been designed with long-life batteries and a power-saving on/off switch that delivers up to 2 years of continuous use. Say goodbye to frequent battery changes and focus on what truly matters!

## The conscious type

Work smarter for the planet with the Keyra. With a sustainable design of 85% recycled plastics and an RPET fabric finish palm rest, it's built to last whilst having a reduced impact on the environment.

## Your control centre

Access your favourite functions with a single press. Offering 13 Fn-media keys and six dedicated multimedia keys, you'll have instant control over volume, playback and more, making you the multi-tasking master you're meant to be!
