The VIVAX built-in oven BO-806BFTM comes with 5 baking programs. In addition to the classic program using the top and bottom heating elements, it also features a fan-assisted baking function, which ensures more even and faster cooking, as well as multi-level baking.

This built-in oven with a modern design fits perfectly into any kitchen, while the simple mechanical controls ensure easy operation.

The black and inox pop-up knobs combine modern design with practicality – they remain flush when not in use, pop out at a press for easy control, are fingerprint-resistant, and easy to clean.

The built-in oven is easy to clean thanks to the steam cleaning function, which effectively removes grease and dirt without the need for aggressive cleaning agents.
