OVERVIEW

Epoch XL

Elegant airflow in a generous format

Epoch XL scales up the clean and contemporary design of the Epoch series into a more spacious format. With a mesh front panel and three powerful Momentum 14 fans included, it is engineered to keep components running smoothly. For ambitious builds, further cooling can be added with support for up to 360 radiators in the front and top, together with space for a graphics card up to 425 mm in length. Exterior details such as a laser-etched aluminum badge, a textile pull tab, and a fine-pattern mesh contribute to a sleek, uncluttered look. On the inside, a refined interior layout and neatly integrated cable routing help maintain a clean and tidy finish.

Key features

- ▶ Clean, contemporary design with refined details such as a laser-etched aluminum badge and textile pull tab
- ▶ Includes three powerful Momentum 14 fans with LCP blades and FDB bearings for quieter cooling
- ▶ Supports GPUs up to 425 mm in length with front fans, or up to 395 mm with a front radiator
- ▶ Cooler-compatible with space for up to 360 mm front and top radiators
- ▶ Ventilated mesh front and top panels designed for natural airflow
- ▶ Tool-free access with a slide-to-remove top panel and pull-to-remove front panel
- ▶ Tidy interior with cable grommets, movable routing straps, and ample space for organizing cables
- ▶ Supports motherboards up to 275 mm E-ATX with front-facing connectors and up to ATX with reverse connectors
- ▶ Accessible I/O with a 20Gbps USB Type-C port, two USB Type-A ports, and a combo audio jack

Specifications

Specification	Epoch XL RGB TG	Epoch XL TG	Epoch XL Solid
3.5"/2.5" drive mounts	2 (2 included)	2 (2 included)	2 (2 included)
