BOOMBOX 4

Most powerful JBL portable waterproof speaker with massive JBL Pro Sound

Unbeatable sound all day long.

We turn it up our way—anywhere.

The all-new JBL Boombox 4 is bigger, bolder, and better than ever, with powerful JBL Pro Sound that stays loud and clear, with deep thumping bass. AI Sound Boost analyzes our music in real time and adjusts the sound to give us more power with less distortion, even when we turn it all the way up. It packs two bigger woofers, two tweeters and three passive radiators, so every track hits harder and sounds cleaner. When we want to fine-tune the vibe, we just switch between deep or vibrant punchy Bass Boost settings to match our mood.

We gave the classic Boombox design a fresh upgrade—it's larger but lighter, so we can take it wherever the party goes: the beach, the block, or the backyard. It's IP68 waterproof and dustproof, so weather's never a dealbreaker. And, with up to 34 hours of playtime (thanks, Playtime Boost), we're set for the long haul.

With the JBL Boombox 4, we carry the mood and the energy, everywhere we go.

Features

- ▶ Unbeatable JBL Pro Sound with AI Sound Boost
- ▶ Up to 34 hours of playtime
- ▶ Waterproof and dustproof
- ▶ Multi-speaker connection by Auracast™
- ▶ Two Bass Boost settings to match our vibe
- ▶ Bigger and louder, but lighter
- ▶ Lossless audio playback
- ▶ Recycled plastic and fabric, plus FSC certified paper packaging
- ▶ Replaceable battery**

BOOMBOX 4

Most powerful JBL portable waterproof speaker with massive JBL Pro Sound

Technical Specifications

General Specifications

- ▶ Model No.: JBL Boombox 4
- ▶ Transducers: 2 x 5 inch / 2 x 123mm woofer, 2 x 0.75 inch / 2 x 20mm Tweeter, 2 pcs circle + 1 pc racetrack passive radiator
- ▶ Output power: (AC mode): 2 x 65W RMS Woofer, 2 x 40W RMS Tweeter (Battery mode): 2 x 60W RMS Woofer, 2 x 40W RMS Tweeter
- ▶ Power input: 100 - 240 Vac; 50/60 Hz
- ▶ Frequency response: 37Hz - 20 kHz
- ▶ Signal-to-noise ratio: > 80 Db
- ▶ Battery type: Rechargeable Li-ion Battery Pack 99.02Wh (equivalent to 21.6V / 4584 mAh)
- ▶ Battery charge time: 3 hours
- ▶ Music play time: Up to 28 hours of playtime plus 6 hours with playtime boost (dependent on volume level and audio content)
- ▶ Connection ports: AC-in, USB-C
- ▶ Cable type: AC Power Cable
- ▶ Cable length: 2000 mm / 78.7"

USB Specification

- ▶ Bluetooth® version: 5.4
- ▶ Bluetooth® profile: A2DP 1.4, AVRCP 1.6
- ▶ Bluetooth® transmitter frequency range: 2.4 GHz - 2.4835 GHz
- ▶ Bluetooth® transmitter power: ≤ 14dBm (EIRP)
- ▶ Bluetooth® transmitter modulation: GFSK, π/4 DQPSK, 8DPSK

Product dimensions

- ▶ Dimensions (W x H x D): 506.4mm x 262.9mm x 212.9mm / 19.9" x 10.4" x 8.4"
- ▶ Net weight: 5.89kg / 13 lbs

Packaging dimensions

- ▶ Dimensions (W x H x D): 565 mm x 345 mm x 256 mm / 22.2" x 13.6" x 10.1"
- ▶ Gross weight: 8.16kg / 17.99 lbs

What's in the Box

- 1 x JBL Boombox 4
- AC power cord (AC plug and quantity varies by region)
- 1 x Quick start guide
- 1 x Safety sheet
- 1 x Warranty card

Features and Benefits

Unbeatable JBL Pro Sound with AI Sound Boost

We're talking massive sound with deep and punchy bass. The redesigned JBL Boombox 4 packs in two bigger woofers and three passive radiators, so every track hits harder and sounds cleaner. And with AI Sound Boost, we don't have to lift a finger—this smart tech analyzes our music in real time and adjusts the sound to give us more power with less distortion, even when we turn it all the way up.

Up to 34 hours of playtime

Keep the vibe alive from party to party... to party, for up to 28 hours on a single charge. Forgot to charge up for the next one? It's all good. JBL Playtime Boost adds up to 6 hours of extra popping, locking, sliding, or whatever moves you got left in that bag.

Waterproof and dustproof

The JBL Boombox 4 is IP68 waterproof and dustproof, so it can handle whatever the weather—or our clumsiest friends—throw at it.

Multi-speaker connection by Auracast™

Wouldn't it be great to share the whole mood with the whole crew? With Auracast™, effortlessly stereo pair two Boombox 4 speakers for a wider sound stage or connect multiple Auracast™-enabled JBL speakers to cover more ground with the same playlist.

Two Bass Boost settings to match our vibe

When it comes to bass, we like having options. Fine up the JBL Boombox 4 and you'll get that classic JBL signature bass we all love. Want to take it deeper? Hit the Bass Boost button on the top panel—the JBL Horn mark glows orange, and boom, you're in Deep Bass mode, where those two woofers and three passive radiators go all in. Want something tighter and more energetic? Tap the button twice, the Horn mark turns white, and you're in Punchy Bass mode. Whatever the mood, we've got the bass to match.

Bigger and louder, but lighter

The JBL Boombox 4 sounds bigger and better than ever—but here's the real win: we redesigned it to be lighter than before. So now it's way easier to set the tone wherever we go.

Lossless audio playback

Want to hear every detail? Plug into your laptop or other audio device using the Boombox 4's USB-C port* to enjoy lossless audio playback. It's perfect for real audio fans who want more from their music. Just make sure your source offers lossless audio.

*Requires compatible lossless audio content from supported apps or services.

Recycled plastic and fabric, plus FSC certified paper packaging

The JBL Boombox 4 incorporates post-consumer recycled plastic and recycled fabric for the speaker grille. It's also packaged in FSC-certified paper printed with soy ink.

Replaceable battery**

Want even more life out of your speaker? Replace the rechargeable battery in three simple steps, and your JBL Boombox 4 will be back at full power.

**Replaceable battery sold separately
