Q & A

Question Do I need to install software for the [Desk+Air] mouse function?

Answer Just simply lift the mouse in the air then enjoy the mouse with multimedia control functions. No software installation required.

Question Is the air function fully compatible with all multimedia platforms?

Answer The mouse air function is created according to the Microsoft operation instructions. Except for the volume control function, the other multimedia functions might be limited use by some system platforms or third-party software support.
