STUNNING 4K DISPLAY SUPPORT

Immerse yourself in stunning visuals with the DS-4's support for 4K resolution at 30Hz. Enjoy sharper images, richer colors, and a more immersive viewing experience on your external monitor or TV. Create and edit videos and photos with exceptional clarity. Deliver professional and engaging presentations with unmatched detail.

HIGH-SPEED DATA TRANSFER

10 Gbps

The DS-4's USB 3.2 port delivers lightning-fast data transfer speeds of up to 10Gbps, allowing you to quickly transfer large files, photos, and videos without any lag. Save time and increase productivity while switching between tasks without interruptions. Streamline your data management and of course, enjoy smooth gameplay when it's time to unwind.

COMPACT DESIGN

The DS-4's small and lightweight design makes it easy to carry around and use on the go. Whether you're working from home or traveling, the DS-4 helps you have no worries about a well-organized workspace. It fits easily into your bag or pocket, so you can take it anywhere without adding bulk.

POWER DELIVERY CHARGING 100W

The DS-4's support for Power Delivery charging up to 100W means you can charge your laptop, smartphone, or tablet at full speed and at the same time while connected to the hub. This eliminates the need for using multiple chargers or sacrificing ports. You can get right back to work quickly after a short break.

CROSS-PLATFORM COMPATIBILITY

The DS-4 is designed to work seamlessly with Windows, macOS, and Android devices. No matter what operating system you use, you can enjoy the benefits of this versatile hub. It delivers a unified experience across all platforms without the need to install any additional drivers.

TYPE-C INPUT

The DS-4's Type-C input provides a convenient and versatile connection. Simply plug in one cable to access all the hub's features. It works with a variety of Type-C devices, supporting high-speed data transfer and charging. With a reversible connector, this device erases the struggle with upside-down cables.

PLUG & PLAY

The DS-4 is designed for effortless setup and immediate access to your devices. Simply plug it in, and it's ready to use in seconds. No technical knowledge, additional drivers, or software are required.

ALUMINIUM CASE

The DS-4's aluminum case protects your hub from damage and adds a touch of class to your setup. It's built to withstand the rigors of everyday use while keeping your hub looking clean and professional.
